**IMPACT:** State

**Summary of Legislation:** This bill: (1) defines "farm wagon" as including three- and four-wheeled motor vehicles used for certain purposes; (2) provides that a motorized farm wagon may be operated in order to transport an individual from one farm field to another, including on a highway; (3) authorizes an individual at least 14 years of age to operate a motorized farm wagon on a highway; (4) prohibits the use of a motorized farm wagon operated on a highway to tow another vehicle; and (5) makes conforming amendments.

**Effective Date:** July 1, 2009.

**Explanation of State Expenditures:**

**Explanation of State Revenues:** This proposal expands the definition of farm wagon. Farm wagons are exempt from the payment of registration fees under IC 9-18-3-1. To the extent that the new definition of farm wagon includes vehicles that otherwise would be subject to registration fees as off-road vehicles, there will be a reduction in registration fees, currently \$30 every three years.

The fund affected is the Off-Road Vehicle and Snowmobile Fund of the Department of Natural Resources and is used for enforcement, construction, and maintenance of vehicle trails. The number of farm wagons in the state is not known.
